GOOD RACING AT HARLEM.

Despite a continuous downpour of rain and a certainty that the track at Harlem would be a sea of mud a crowd of about 7,000 was out to see the horses flounder through the slush.

A handicap at three-quarters and two races at two miles were the racing features.

Both the long races furnished close contests, the closing one being won by George Lee in the very last stride by a narrow margin. Lee was the betting choice and Master Vitae rode him like a veteran. The boy placed his horse well and saved him cleverly during the early stages of the journey and made his run just at the right time. Teutons, who was always near the front, seemed to have the race won in the stretch but he and his jockey, Flick, both went to pieces when the pinch came and the best they could do was to get the place.

Banquo II. won the first two-mile event, but Pete Clay who rode him gave the public a shock they will long remember. Banquo had the race won after going the first mile and one-half and rounding into the stretch the last time around he was almost a sixteenth of a mile in front of his field. Master Clay looked around and when he saw he was so far in front thought he would have some fun with the other boys. He did, but it almost cost him the race. He eased Banquo II. up and then went to sleep. The consequence was that Monogah, whom Knight had ridden cunningly, came with a sharp rush at the end and almost stole the race.

The handicap was a soft thing for Canova. He got off with the track and going to the front on the far turn, won like a good racehorse.

The other races were quite tame. Frank Thompson won the first race as he pleased. Inlook, whipped out, took the second, and the fifth went to John Baker, who seemed to revel in the mud, and beat a good field like a stake horse.

GOSSIP OF THE TURF.

A certain Edouard Jones, some time of the stage, is to launch a gambling device at the Paris Exposition which aims to deface racing. The Jones idea, which is not original, is the application upon a colossal scale of the principle of the little toy racehorses that spin about attached to a center post.

A correspondent describing the Jonesesque scheme writes:

"There will be an immense building, with a capacity of several thousand, reproducing in every detail a race course, with grandstands, betting booths and all the adjuncts of the real thing.

"The wooden horses, life size, can be ridden by visitors, just as they are at the merry-go-rounds. The motive power is electricity, and just before the finish this is shut off and the horses go spinning about, the result being left entirely to chance. It is impossible to land any particular horse in front.

"There is all the uncertainty and excitement attending a real contest and pools will be sold on the results. The French government gets a handsome rake-off on the mutuels, and has approved the scheme.

"The gambling instinct is stoutly developed in Paris and it is expected that everybody will play these mimic races.

"It is estimated that it will require nearly a million francs to organize, perfect and inaugurate this exhibition."

Secretary Croft has announced the following list of probable starters for the Brighton Handicap which is to be run on Thursday, July 6, the opening day of the meeting:

HAWTHORNE'S HOLIDAY RACING.

Had yesterday been a fair day Hawthorne would have scored its high record in the matter of attendance. Even under unfavorable weather conditions it is questionable whether the assemblage was not as large as has ever gathered at the track. It filled the grand stand to repletion and densely crowded the spacious brick covered space in front of the grand stand. It is safely within bounds to say that 6,500 people saw Prince Blazes capture the Dewey Handicap. Fourteen bookmakers did business in the big ring.

While the horses were at the post for the first race one of them contrived to so disable the starting machine that Starter Letcher had to return to old-time methods and do the starting with the flag. He did well except in the Dewey Handicap, for which Jolly Roger was left at the post. Finem Respite got off so poorly that his dull rider pulled him up. Some cries of "bets off" went up, and a crowd gathered about the stand waiting for the impossible. Bets are not declared off on any track because horses are left at the post, much less at Hawthorne, where the judges have no knowledge of any betting that may take place.

Princess Thyra made a show of her field in the first race, leading all through and winning with great ease from the favorite, Strathbrock. Tom Barrett's rank outsider Hanan liked the deep mud and in a pretty finish managed to outlast Cheval d'Or and won the second race by a head.

The steeplechase was a comedy of errors. Except Colonel Weightman, every horse in the race took a tumble or went wrong in some fashion at some stage of the journey. Colonel Weightman fenced and ran well and finished away off by himself, the others staggering in at long intervals.

The Dewey Handicap fell to the mudlark, Prince Blazes. Benneville set the pace to the far turn with Brigade and Prince Blazes in close attendance. Here he was beaten, and fell back, leaving Brigade and Prince Blazes to fight it out. Brigade ran a gallant race, but the weight told, and at the end Prince Blazes was a handy winner.

Monk Wayman took the fifth race in easy fashion from Isabay and Kris Kringle, while Marcato ran away from his competitors in the concluding event of the day.

NOTES OF THE TURF.

Lew Elmore has purchased of Messrs. Orpen & Brennan, Canada, the chestnut colt Sarmatian, 2, by Tenny-Lorraine, and the chestnut colt Manitoban, 2, by Kismet (son of Melton)—Plaisance. Price, \$5,000 for the two.

Charlie Thorpe left St. Louis for his home in Nebraska Saturday night, and will not be seen in the saddle again until the California racing season opens next fall.

GOOD HORSES TO BE SOLD.

There will be a big auction sale of horses in training at Hawthorne Monday next. Jordan's entire string will be sold and horses belonging to R. Bradley and S. C. Wagner and others will also be offered.

Winner—Ch. g. by Fiddlesticks—Flavia.
Post 6 minutes. Start fair. Won handily. Fluke, with her light weight, ran a good race. Big Gun closed very fast and would have won had the race been a half furlong longer. Prestidigitator quit when the pressure came. He likes to run by himself. Miss Dede was doing her best, but was not quite so good enough.

Winner—Ch. c. by Stonehenge—Bassinetto.
Off at the first break to a good start. Won ridden out. Blarneystone was a live horse today and the weight suited him. Dr. Eichberg closed very fast after a troubled journey in the early part. Armament was raced out in chasing the leader. Tinge was overweighted. Kentucky Colonel ran a fair race.

Scratched—13111 Swiftmas, 135; 11830 Athanas, 105.

Winner—Ch. c. by Albert—Hoodoo.
Post 4 minutes. Start good. Won handily. Mesmerist is a good game colt. He was skillfully handled and ran a splendid race. Mark Cheek ran to his best notch. Radford was the strongest of this lot at the finish, and would probably have won had the distance been a little further. Prince of Melbourne was all tangled up after the start but finished strongly under punishment. Iroquois Belle tired badly at the end after showing early speed.

Scratched—12947 Brigadier, 111.
Bromley entry, place, 9 to 10; show, 1 to 3. Mark Cheek, place, 2 to 1; show, evens. Madden entry, place, 1 to 2; show, out.

Winner—B. c. by Ethen—Maori.
Post 13 minutes. Start good. Won easing up. Ethelbert was by far the best. He went to the front at will and galloped the others to a standstill. Lothario's race was a surprise. He seems to be, in a measure, an in and out. Half Time and The Bouncer bumped together in a false break and Clawson was thrown. Half Time ran away a mile and this destroyed whatever chance he had of winning.

Scratched—13001 Lackland, 109.

Winner—B. c. by Linden—Verbena.

Off at first break to a good start. Won easily up; second driving hard; third hand ridden only. Frank Thompson outclashed his company and was at home in the going. He had an easy race. Knight took matters easily and never made a move. He seemed confident that J. J. T. would come back to him in the stretch, and he did. The latter is a good mud horse and ran to his notch. King Bermuda could never get up. He does not seem to be himself. Outside of the winner it was a tired bunch at the finish. Pay the Fiddler stopped to nothing after the first half. Storm Queen was speedy, but short.

Winner—Ch. c. by Outlook—Mattie Luck.

Post 4 minutes. Start good. Won hand ridden, though out to the last ounces; second, third and fourth were driving hard. Inlook had the speed of the party and took a winning lead early. He lasted the route, but the going was to his liking and he hung on better than ever before. Lomond was the best and would have won in a few more strides. He was slow to get going but finished very strong. This fellow is nearly at his best now and will win at once. Caviar was bumped and interfered with often. He came very fast when straightened out for home. Mattie Bazar ran a fair race. First Past quit badly when the pinch came. He will do better on a fast track. Huronia was anchored in the going. Throw her race out.

Scratched—(12270)Unslightly, 102; 13121 Maharajah, 100; 13064 Florizar, 100; 13024 Talma, 100; Niverna, 97.

Post 4 minutes. Start good. Won pulled up; second driving hard. Banquo II was far the best and could have won off by himself. Clay got careless and almost threw the race away. He began pulling Banquo II up at the eighth post and Monongah naturally gained on him. Knight rode cunningly and saved Monongah until the last sixteenth. Here he came with a rush and nearly got Banquo II. Barton ran a good race. Croesus and Sunburst were beaten off all the way.

Winner—B. c. by Cannon—Belle of Hooten.

Post 6 minutes. Start perfect. Won cleverly; second, third and fourth driving hard. It was a good handicap. Canova, fresh and good, was fortunate and nicely ridden. Nutt hustled the colt to the front early and took no chances. Hobart had all the bad luck in the race. Considering this, his performance was an extra good one. At the start he was in a pocket and could never get out. Aker was obliged to take him up on the far turn and run all around the other horses. He finished strong. Tony Licalzi saved a lot of ground by skinning the rails on the stretch turn. Moroni took the longest route. Refugee, considering it was his first start for some time, ran a nice race. Semper Eadem was used up early. Boney Boy ran a bad race. Mark Maggie Davis is slower company.

Scratched—13069 Richard J., 118; (13029) Meddler, 118; (13027) Hugh Penny, 103; (12536) Flora Louise, 103; 13090 Sim W., 102; 13052 Eugenia Wickes, 98; 12237 O'Connell, 121.

Winner—Ch. h. by Seguin—Lula Baker.

Off at first break to a good start. Won easily. The next two were doing their best. John Baker, with a lot of weight off, was at home in the going and ran an extra good race. He is a fair horse and can do equally as well on hard ground. Nutt rode a good race, saving ground on all the turns. Branch was contending all the way. He swung very wide entering the stretch. What er Lou does not seem to be at his best. He was hard ridden all the way, but could never get up. Newsgatherer ran below the mark. Throw his race out. Carl C. was sharply cut off by What er Lou on the far turn and obliged to pull up.

Winner—Br. g. by St. George—Levee.

Off at first break. Start good. Won in the hardest kind of a drive; second and third were driving also. George Lee gamely got up in the last stride, but was very lucky to win. Teutons was undoubtedly the best. Flick was so tired that he could not help him at all when the pinch came. George Lee was nicely ridden. Vitatos placed him well and came with a rush at the end. The gelding swerved a furlong out but not enough to cause any damage. Mr. Easton raced well. His game is a route and heavy going. Benamela ran a bad race. He showed no speed and was beaten off all the way. Jack Martin was so tired that he almost fell in the stretch.

Scratched—12400 Royal Choice, 107; 13050 Sue Nell, 102; 13119 D. P. McCarthy, 85.

Post 8 minutes. Start straggling and without the barrier. Princess Thyra got off running and won very easily. Second and third driving. Brophy with Princess Thyra beat the flag and kept the filly moving all the way. Strathbroeck finished gamely, but with the start he got he had no chance to beat the Princess. In Debt was tiring at the finish. Had it been a little further Lady Elite would have beaten him. The others had no chance on account of the start. Throw their races out.

Winner—Ch. g, by Hanover—Brandolette.
Post 5 minutes. Start fair, without barrier. Won in a hard drive of two. The third and fourth were driving hard for third place. Hanan avoided the early pace and fairly ran over his field the last furlong. Sheppard handled him cleverly too. Cheval d'Or had no excuse. He was off well and up with the leaders all the way. Barabbas and Eberhart set a terrific pace considering the heavy going and killed whatever chances they had of winning, the first three-quarters of a mile. In fact Barabbas stopped to a walk the last eighth of a mile. Eberhart acted as though he was short. Lillian Reed ran a fair race only.
Scratched—4347 May Beach, 104; 12968 Colonel Eades, 109; 12556 Jerid, 105; 13060 Kyrat, 105; 12965 Blaze Face, 102.

Post 3 minutes. Start good. Won in a canter. Colonel Weightman was judiciously handled and made no mistakes in clearing the jumps. He was far the best. Del Coronado finished second on sufferance. He was wretchedly ridden. De Sota made no effort to get up with the leaders the first part of it. Jack Hayes would have been second if he had not fallen going over the last jump. He was very tired. His jockey gives this as the cause of the accident. Zufallig ran well. Chenier fell early or he would have been a contender. Clifton B. is a poor jumper.

Winner—B. g, by Blazes—Betty Prince.
Post 6 minutes. Start good for all but Jolly Roger. Prince Blazes won as he pleased. Brigade was just as easily second. Narvaez handled Prince Blazes cleverly and went to the front when well straightened out in the stretch. Brigade did not run to his recent mark. Perhaps he did not like the going. Samovar's chances were ruined by making the pace with Benneville. They killed each other off. Considering this, Samovar ran a good race. Benneville stopped to a walk at the end. Finem Respire's boy evidently knew nothing of the purpose of the advance flag.

Winner—B. c, by Major Richards—Blue Belle.
Post 8 minutes. Start good. Won easily after a mild drive; second handily; third and fourth driving hard. Monk Wayman rated behind his field and when Everett called on him he responded gamely. He was on the inside all the way and saved a lot of ground in making the turns. Isabey had no excuses. He ran his race and cannot beat Wayman. Kriss Kringle did well as far as he went. He appeared to lead on sufferance. He tired badly at the finish. Uhler belonged in cheaper company and can win when properly placed. Monk Wayman was run up \$500 over his entered price of \$800 and bought in. R. C. Tucker was the runner up.
